Computer Matching Program Between the Armed Forces Retirement Home and the Social Security Administration

A. Participating Agencies: AFRH and SSA.

B. Purpose of the Matching Program: The purpose of this computer matching program is to identify and verify the gross Social Security benefit earnings of each resident of the AFRH. This is necessary to properly assess correct resident fee amounts, which is required by 24 USC 414 to be a percentage of residents' monthly income and monthly payments (including federal payments).

C. Authority for Conducting the Matching Program: The Armed Forces Retirement Home Act of 1991, 24 USC 401-441, requires the Directors of the USSAH and USNH, which are incorporated under the Armed Forces Retirement Home, to collect from each resident a monthly resident fee. The fee is a percentage of residents' monthly income and monthly payments (including federal payments).

D. Records to be Matched: The SSA records involved in the match are the Supplemental Security Income Record, SSA/OSR, 09-60-0103, and the Master Beneficiary Record, SSA/OSR, 09-60-0090. The AFRH will provide a finder fee established from the AFRH Resident Fee Maintenance System (last published at 58 FR 68629).

E. Inclusive Dates of the Matching Program: This computer matching program is subject to review by the Office of Management and Budget and Congress. If there are no objections by either within 40 days, and the 30 day public notice period for comment has expired for this **Federal Register** notice with no significant adverse public comments, this computer matching program becomes effective and the respective agencies may begin the exchange of data at a mutually agreeable time and will be repeated on a semiannual basis. Under no circumstances shall the matching program be implemented before the 30 day public notice period for comment has elapsed as this time period cannot be waived. By agreement between SSA

and AFRH, the matching program will be in effect and continue for 18 months with an option to renew for 12 additional months unless one of the parties to the agreement advises the other by written request to terminate or modify the agreement.
